A New York con artist uses her knack for social engineering to dupe the rich and famous out of their wallets. She's the epitome of a con artist but doesn't realize that she's caught up in the big time until it's far too late. She goes on the run after being arrested and eventually winds up stealing money from the wrong person. Her life changes when she's hired by a savvy criminal who sees a chance to get out of his own mess and into the big time. He's the best criminal she's ever met. She agrees to go on the run with him, stealing from the rich and stealing from the cops. As they deal with the police, the FBI and each other, they begin to change and fall in love. What they don't know is that their biggest problem might just be each other. Identity Thief is directed by Jon Lucas and Stephen Herek.
